# ORTHEX GROUP

## Practical is beautiful

Orthex Group is a leading Nordic producer of household products with over 100 years of experience. We are proud to offer a broad assortment of products that are high quality, safe and functional.

Our brands are strong, well-known and actively marketed. Over 90% of all products are manufactured in Sweden and Finland in our own factories.

Long-lasting and recyclable products

NORDIC DESIGN & QUALITY

Local production in Finland and Sweden

Increased usage of recycled and renewable materials

- Local sales organisations
- Factories
- Warehouses

## SUSTAINABLE SOLUTIONS

The main building blocks of our approach to sustainability are our long-lasting products, sustainable raw materials, and our target towards carbon neutrality. We are actively increasing the share of recycled and renewable raw materials in our products, and we continuously strive to reduce the carbon footprint of our operations and products. Orthex's high-quality, safe, and durable products are made with care and timeless design. Orthex does not make single-use products. On the contrary, Orthex's products are made for long-term use and are fully recyclable in all our markets at the end of their life cycle.

## SHOWING THE WAY IN SUSTAINABILITY

Orthex Group's reputation for sustainability is a vital business asset that depends on the commitment of all our people to act in accordance with our ambitious sustainability strategy. Every day through our actions, each of us is responsible for making our strategy come to life through sound judgement and firm business decisions. We have made a commitment to show the way in sustainability

in our industry and we are actively supporting the UN sustainability goals.

Orthex Group is always committed to conduct business in a sustainable and responsible manner and we are happy to help our partners and consumers to do the same through working with Orthex and by selecting Orthex Group products. Orthex's sustainability report, which

details Orthex's sustainability targets, achievements and efforts, is published annually. You can find it on our web site at [www.orthexgroup.com](http://www.orthexgroup.com)

# A LOVE FOR THE EVERYDAY

The beauty of life is in the small things. In your everyday, in the ordinary life. And this is what Orthex is all about: our mission is to bring fresh and smart insights into your everyday life. We want all our products to be well-designed, but above all we want them to be practical. Nordic design and consumer focus have been at the core of our products since 1956, when the Orthex story began.

Live the life to the fullest.  
Enjoy your everyday!

Orthex offers practical and durable products for everyday life.

orthex™

The Orthex factory in Lohja, Finland has over 60 years of experience in making quality household plastics.

# orthex™ BUCKETS & TUBS

Buckets and tubs are useful in many different chores around the home, garden and cottage. They are easy impulse buys especially in spring, summer and autumn time.

Orthex plastic products are lightweight, durable and easy to clean.

# LAUNDRY BASKETS

Laundry tends to pile up in homes of all sizes and practical baskets will help keep your laundry room organised and tidy. The durable washing baskets are also great for storage of toys or sports gear!

A plastic laundry basket withstands humidity and is easy to keep clean.

Spacious basket for dirty laundry. Narrow ventilation holes prevent mustiness while still keeping the laundry out of sight.

For moving wet laundry or collecting dry laundry. Great for toys too!

A sturdy laundry basket with ventilation holes to prevent mustiness.

For carrying clean laundry to the clothesline or closet. Sturdy handles for carrying. The basket can fit a large load of laundry!

**Laundry basket 60 L**
