ORTHEX **GROUP**

Practical is beautiful

Orthex Group is a leading Nordic producer of household products with over 100 years of experience. We are proud to offer a broad assortment of products that are high quality, safe and functional.

Our brands are strong, well-known and actively marketed. Over 90% of all products are manufactured in Sweden and Finland in our own factories.

Local production

Frequent use of recycled and reusable materials

Target: towards carbon neutral production by 2030

SUSTAINABLE SOLUTIONS

The main building block of our approach to sustainability are our products, sustainable raw materials, and our target towards carbon neutrality. Orthex's high-quality, safe, and durable products are made with care and timeless design. They are made for long-term use and are recyclable in all our markets. We are actively increasing the share of renewable and recycled raw materials in our products. We continuously strive to reduce the carbon footprint of our products and operations and are aiming towards carbon neutral production by 2030. With these priorities, our goal is to be an industry forerunner in sustainability.

SHOWING THE WAY IN SUSTAINABILITY

Orthex Group's reputation for sustainability is a vital business asset that depends on the commitment of all our people to act in accordance with our ambitious sustainability strategy. Every day through our actions, each of us is responsible for making our strategy come to life through sound judgement and firm business decisions. We have made a commitment to show the way in sustainability

in our industry and we are actively supporting the UN sustainability goals.

SMARTER EVERYDAY COOKING

At GastroMax™ we've spent the last 100 years designing straightforward and durable kitchenware that simplifies your life. Smart solutions that don't make a fuss. They stand by your side to help you make the most of your time and efforts - everyday.

SUSTAINABLE SOLUTIONS

Our products and services are created to be sustainable at the core and we are continuously optimizing our production processes to reduce environmental impact.

NORDIC DESIGN

Our design language is born from our Nordic values and Scandinavian heritage – always centred around human needs with the ambition to blend form and function.

POWERED BY PROFESSIONALS

Ever since the start over 100 years ago, we have collaborated with kitchen professionals to ensure our products are designed and tested to meet the demands of everyday life - as well as being safe to use.

VISION

Modular SmartStore™ Vision dry food keepers bring organization to the cupboard pantry and make efficient use of available space. See-through lids allow for easy identification of content in the kitchen drawer.

The products are made with 20 % bio-based plastic (mass balance approach).

IN-STORE

MAXIMISE YOUR KITCHEN SALES WITH **OPTIMISED SOLUTIONS**

On average, the consumer only sees a fraction of the total assortment, and only visits a small part of the store area. Most of their shopping time is spent searching for items, and many leave the aisles without making a purchase.

Unlock the full potential of your kitchenware section with our optimised assortment, customised planograms, and carefully designed POS materials. These solutions ensure that your products are easily accessible and appealing, turning browsers into buyers and boosting your sales.

DISPLAYS

Our versatile floor and counter displays are designed to boost sales even in limited spaces. With a variety of eye-catching designs, our displays are sure to inspire and engage shoppers, enhancing their in-store experience.

Maximize sales with our ready-to-sell displays

PROMOTIONS & POS MATERIALS

Our point-of-sale materials are designed to enhance the shopping experience. The materials provide valuable information and creative inspiration, helping to drive sales and customer engagement.
